ORDER

On this day, the Court considered Defendant's Motion for Continuance, made orally during docket call on July 2, 2025, in the above-captioned cause. The motion was made because of the for further investigation, preparation of the defense due to complex discovery issues in the case, and/or plea negotiations. After due consideration, the Court is of the opinion that the motion should be granted.

The Court finds that the interests of justice outweigh the interests of Defendant and the public in a speedy trial, in that more time is needed by Defendant for preparation of the defense in this case, and that the time from **July 2, 2025 through August 13, 2025, is excludable time within the meaning of the Speedy Trial Act, 18 U.S.C. § 3161.**

Accordingly, it is hereby ORDERED that the Defendant's Motion For Continuance is GRANTED. This cause is rescheduled for **DOCKET CALL on: August 13, 2025 at 1:40 PM BY ZOOM VIDEO CONFERENCE.** A link for the Zoom video conference will be forwarded to you no later than twenty-four hours before the scheduled hearing.
